

Photos d'implantation de l'ancienne voie ferrée Alençon Pré-en-Pail Rives d'Andaine

This topographic map illustrates the proposed route of the former railway line between Alençon, Pré-en-Pail, and Rives d'Andaine. The line is highlighted in red, starting from the left and heading towards the bottom right. The map includes various geographical features such as contour lines, rivers (e.g., Ruisseau du Moulin, Chahains), and numerous place names (e.g., St-Denis-sur-Sarthon, Méliervier, Maubuisson, Pacé, Cuissai). Three inset photographs provide visual context: the top-left photo shows a view down a narrow-gauge track through a wooded area; the top-right photo shows a view of a track running alongside a grassy field; the bottom-right photo shows a view of a track curving through a wooded area.
