

Photos d'implantation de l'ancienne voie ferrée Alençon Pré-en-Pail Rives d'Andaine

The image displays a detailed topographic map of the region between Alençon and Pré-en-Pail, highlighting the former railway line. The map features contour lines, roads (D 536, D 250, D 245, D 520), and various settlements including Livet, la Morinière, la Roche-Mabile, Gandelain, la Gottière, la Bioterie, le Mesnil-sur-Sarthon, and St-Denis-sur-Sarthon. The railway line is depicted as a red line, with its former alignment marked by blue lines. Three inset photographs provide visual context: the top-left photo shows a view looking down the tracks towards a distant horizon; the top-right photo shows a view looking up the tracks, flanked by dense trees; the bottom-left photo shows a view looking down the tracks, flanked by dense trees.
